HOT WEATHER AHEAD.

How to Keep The Kitchen Cool And
Comfortable in Mid-Summer.

Many a housewife is wondering how she will pass through the coming summer months with the stove she well knows will make the kitchen unbearably hot-to say nothing of the dirt, dust and ashes that will add to the discomfort.

There is a way out of it all-a way that not only lessens the work and keeps the kitchen cool, but that also reduces fuel expense. This convenience, comfort and economy is all effected by the New Perfection Wick Blue Flame Oil Cooking-Stove, an oil stove so superior to other makes that it is fast replacing the coal and wood range, the old-fashion oil stove and in many cases the gas stove.

Anyone who has had to wait ten or fifteen minutes for the fire to get started will appreciate the New Perfection, which gives a strong working flame at moment of lighting. "Blue Flame" means the hottest and cleanest flame produced by any stove. The flame is always under immediate control and can be raised or lowered instantly. The convenience of this will be understood when it is considered that while the flame of one burner is boiling the kettle or roasting a large joint, that of another can be reduced to simmering point-in this way enabling the housewife to cook

a variety of dishes at one time.

Then the comfort of it. While the flame of the New Perfection is intensely hot, yet the heat is not thrown off into the kitchen because it is concentrated by blue-enameled chimneys.

On washing and ironing days the comfort and convenience of the New Perfection will greatly be appreciated. It gives best results in the least time, and does away with all coal and wood carrying and the many other disagreeable jobs that have to be done with other stoves. The New Perfection is made in three sizes, with one, two and three burners, and is warranted to give full satisfaction.

Another home comfort is the Rayo Lamp, which produces a light of unusual brightness, yet soft and mellow-a light that will not hurt the eyes. The Rayo Lamp can be used in any room, whether it be library, dining-room, parlor or bedroom. It is highly ornamental, being made of brass throughout and beautifully nickel-plated. Every lamp is warranted and makes a valuable and handsome addition to any home.

The New Perfection Wick Blue Flame Oil Cook-Stove and the Rayo Lamp are two real essentials to home comfort. Their easy operation, absolute safety and handsome appearance commend them wherever stoves and lamps are used.

Situations Guaranteed.

We do not guarantee situations to prospective students in order to get their patronage. Schools of merit do not resort to such dishonest practices.
Fake schools "guarantee" situations in order to secure students, because they have no other inducements to offer.
Our work is so thorough that a guarantee is superfluous. Business men are so eager to get competent help here that a large percentage of our students take positions before they graduate.
See us before making arrangements for your business and shorthand education at some inferior, fake school. We will take pleasure in telling you all about the loopholes in the "position guarantee" of dishonest schools. Catalogue free.

In Memoriam.

On Wednesday morning, May 8th, 1907. The death angel entered the home of Charles F. Wolfe, and claimed their little darling Annie. She was nine months old, and lived long enough for her little life to be enshrined in their hearts as the dearest thing on earth. She was radiantly beautiful, remarkably bright and intelligent, always so good and sweet just beginning to prattle "mama and papa" a bright beam of sunshine in the home, and unfading source of joy to her parents. O! why should such a child be taken? What hopes was cherished for her, what air-castles were built around her: now vanished.

But God knows best, no hopes we could cherish are to be compared with the glorious realities that are now hers, and while the home she left is now desolate, yet her's to enjoy is that house not made with hands, eternal in the Heavens.

She has passed from earthly shadows, into the day that shall be shadowless forever. This death of our little darling, makes Heaven nearer and clearer-yes dearer.

And dear parents while your lives are saddened and darkened, look up, trust His promise, let them be to you more precious than ever. When a few more fleeting years have flown, she will meet us at Heaven's gate and lead us on.

HER AUNT.

Finds Old Newspaper Printed in 1815.

In searching among his old papers yesterday Attorney Fred Hostetter uncovered an ancient newspaper, the "Adams Sentinel," published in Gettysburg, Penn., in 1815. The paper makes a great feature of the invention of a flour "worm," a device now in universal use.

Special mention is made of the home coming of the frigate Guerriere in charge of Commodore Decatur and the frigate Independence in charge of Commodore Bainbridge, both fresh from the Algerian war. The Seminole war in Florida is touched upon. The paper is valuable to Attorney Hostetter, because it contains an account of the wedding of his grandfather, Jacob Hostetter.

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by J. H. Orme druggist, 50c and \$1.00. Trial bottle free.

The Pain Family

You know them; they are numerous, and make their presence felt everywhere. The names of the family are Headache, Toothache, Earache, Backache, Stomach ache, Neuralgia, etc. They are sentinels that warn you of any derangement of your system. When the brain nerves become exhausted or irritated, Headache makes you miserable; if the stomach nerves are weak, indigestion results, and you double up with pain, and if the more prominent nerves are affected, Neuralgia simply makes life unendurable. The way to stop pain is to soothe and strengthen the nerves. Dr. Miles' Anti-Pain Pills do this. The whole Pain family yield to their influence. Harmless if taken as directed.

"I find Dr. Miles' Anti-Pain Pills an excellent remedy for overcoming headache, neuralgia, and distressing pains of all sorts. I have used them for the past seven years in this capacity with the best of results."
